

Dear Parent/Guardian;

Please read this (blue) page, sign it and return it to school.

**\*Keep the CODE OF CONDUCT (pink) AT HOME.**

Our Code of Conduct can be simplified into three main categories. These are:

**BE RESPECTFUL**

**BE RESPONSIBLE**

**BE SAFE**

The CODE OF CONDUCT has been discussed in class and at assemblies. All of these Behaviour Expectations have been made clear to students.

*It is the basic right of each student to obtain a quality education in a safe positive and caring environment, and no one has the right to disrupt this process.*

## STUDENT CONDUCT ON SCHOOL BUSES (Policy 5115)

---

---

### **Preamble**

Bus transportation is a service for students provided by the District. Like education it is both a right and a privilege as long as students obey the rules of the school. According to Sections 103(2) of the School Act, the rules of the school apply while students are on the premises, in both going to and returning from school, and at all school games and functions held either on or off school premises.

So as to minimize the risk of accident while on the bus from causes inherent in the situation, and of accident caused by distracting the driver, the Board has developed regulations governing student conduct on school buses

### **Policy**

Students shall observe the Board's regulations for students on school buses while they wait for or alight from a bus and while traveling on a bus.
